

TRACES

What reminds you?

Drug addiction affects many in our community. Whether you've lost a family member to a drug overdose or lost touch with a friend who uses, daily reminders of that loss—objects, places, people—can be anywhere.

Traces is a collection of those reminders and the memories they evoke. Tell us your story and help us explore the deep and subtle ways that drug addiction in Vermont leaves its mark.

Share A Photo

Email us at **share@vpr.net** with a photograph and a short description of an everyday object, a place, or even a person that reminds you of someone you've lost.

Record Your Story

Call us at **802-552-8899** and leave us a message. Tell us about whatever it is that reminds you of someone you've lost to drug addiction.
